# RESOLUTION OF THE CITY COUNCIL

*No.*

RESOLVED, That His Honor, the Mayor, is hereby authorized to execute a Consent Agreement with the Department of Environmental Management (“RIDEM”) to address the City’s failure to comply with the series of directives from RIDEM regarding the City’s Rhode Island Pollutant Elimination System General Permit, entitled “Storm Water Discharge from Small Municipal Separate Storm Sewer Systems” (“MS4”). RIDEM is prepared to issue a Notice of Violation (“NOV”) which would compel the City to pay \$175,000 in penalties for these MS4 failures. However, as an alternative, the City has negotiated the attached Consent Agreement, which avoids the NOV and allows the City to expend the funds which would otherwise be charged as penalties towards other Supplementary Environmental Projects which would partially address the MS4 concerns and complete environmental remediation projects in several City wards.
