3 COMMITTEE ON PUBLIC WORKS

4 THE CHAIRPERSON: This hearing
5 is called to order. This is a hearing of the Public
6 Works Committee to Petition to abandon the Francis
7 Street bus loop in Kennedy Plaza.

8 Due to a mistake by the Providence Journal,
9 I will read their fax from them. "This letter is to
10 explain that you did request advertising in the
11 Providence Journal on October 30th, November 5th and
12 November 10th for the public hearing relative to the
13 abandonment of public highway of the Francis Street bus
14 loop. The advertisement notice did appear on October
15 30th and November 5th; however, the November 10th ad did
16 not run, due to an error. The ad had been properly
17 ordered and confirmed with the City Clerk's office.
18 Sincerely, Susan Quackenbush."

19 So, this hearing is over. There will be
20 another date, and the ad will be in the paper confirming
21 this.
