AN ORDINANCE AMENDING THE APPROPRIATION ORDINANCE BY ADDING THE SUM OF \$36,000.00 TO THE APPROPRIATION FOR GARBAGE COLLECTION AND DISPOSAL, (INCINERATOR), Item 5.

Mr. Reynolds informs the committee that this money is being appropriated for the purchase of six new special type Incinerator trucks, if they are available; that those new type trucks now owned by the City are proving to be a great improvement over the old, and it is desirable to purchase more, if possible.

On motion of Mr. Testa, seconded by Mr. O'Connor, it is voted to recommend passage of the above ordinance to the next meeting of the City Council.

AN ORDINANCE AMENDING CHAPTER 1383 OF THE ORDINANCES ESTABLISHING A COMPENSATION PLAN FOR THE CITY OF PROVIDENCE.

Mr. Reynolds explains to the committee that the purpose of this Ordinance is to allow certain people within certain classifications at the Charles V. Chapin Hospital to reside other than at the hospital and in such cases to be paid an additional dollar a day, not to exceed \$26.00 per month. The reason for its creation is that due to a shortage of nurses the hospital authorities feel that they may get married nurses to come in and work if they are permitted to live off the hospital grounds.

On motion of Mr. O'Connor, seconded by Mr. Testa, it is voted to recommend passage of the above Ordinance to the next meeting of the City Council.
