PERSONAL EXPRESSION

COUNCILMAN YURDIN Requests the privilege of the floor to speak on a Point of Personal Expression and states:

“I wanted to let my colleagues know that I am stepping down from my City Council seat to fully dedicate my efforts towards my law practice and a new venture. It’s been an honor to represent the residents of Ward 1 for over thirteen years and I’ve felt very fortunate to be able to make a difference in our community and also to work with so many people for making positive change. I think that’s been really one of the most satisfying parts about the work that I’ve undertaken. I know that each of my colleagues here believes they’re working for the best interest of the city and their constituents and I wish all of you the best of luck in doing that. It has been a very meaningful experience in my past thirteen years here. Again, I wish all very well. Thank you very much.

COUNCILMAN SALVATORE Requests the privilege of the floor to speak on a Point of Personal Expression and states:

“Almost ten years ago I met Councilman Yurdin for the first time in my parent’s backyard and like many of you on primary eve council people make visits to their prospective colleagues asking them for their support for certain leadership positions. Councilman Yurdin was one of those individuals that came into my parent’s backyard that night after we were celebrating the Ward 14 Primary victory and I knew then that Councilman Yurdin was going to be one of those colleagues that I could turn to for advice, for counsel, to have a good policy discussion with and to reminisce on great classic movies. Councilman Yurdin has certainly exemplified what it means to be a leader in city government. Without his hard work throughout the last thirteen years, I am proud to say Providence is a better city because of his leadership and certainly the people of Ward 1 are in a better place and they were certainly well represented for the last thirteen years under his leadership. So, Councilman Yurdin, thank you for everything that you have done for me as a new council member in 2011 and for everything that you’ve counseled me on and advised me to do over the last thirteen years to make me a better councilperson representing not only the 14th Ward but the City of Providence. So, Thank you Councilman Yurdin.”

COUNCILWOMAN ANTHONY Requests the privilege of the floor to speak on a Point of Personal Expression and states:

“I, too would like to rise to say thank you to Councilman Yurdin. While I haven’t served but more than a year with him, I know the good work he has done in Ward 1 and I personally would like to thank him for all his institutional knowledge, his support, his guidance over this past year for me. I couldn’t have done it without him. I am very happy for his new endeavor, but I am going to miss him.”

COUNCILMAN IGLOIOZZI Requests the privilege of the floor to speak on a Point of Personal Expression and states:

“Actually, I have known Seth the moment he came on the council thirteen years ago. I have to say that the one thing I have always appreciated is his passion for his ward and for his positions. Whether we agreed or disagreed or the ebb and flow of a political conundrum we are in some times in this honorable august chamber. His passion was always there. He always was a strong advocate for his neighborhood to people he represented and he had a strong sense of self and a sense of wanting to do right by the people of Providence as well as the people in his ward and that’s a real positive, genuine aspect that I think any constituent can ask of their elected official and Seth Yurdin does represent those types of qualities. I want to say on behalf of myself of course, Councilman Yurdin, I congratulate you by the way on a successful term as a council member for many years. Together, we did pass different types of landmark legislation in the city and it was important that we always continued to work together and work out compromises to try to do what’s best for the greater good and you always felt that way on behalf of my constituents and I appreciate our relationship and on behalf of my constituents I appreciate your leadership and your advocacy for the city. So, I want to congratulate you and good luck on your law firm and I hope it just explodes and becomes what you want it to be and hopefully it just grows and you prosper and you have a continuing healthy life. Again, I want to thank you again for serving.”

COUNCILWOMAN LAFORTUNE Requests the privilege of the floor to speak on a Point of Personal Expression and states:

“When Seth called my today, I think might be one of the first times I was speechless when he told me he was going to step down from council. It has been a pleasure to work with my colleague Seth. Sometimes we get into very spirited discussions about issues, but I want to say we learn from each other. He is a very thoughtful person who really cares about policy and someone who is aware of some of the issues that exist in our community. So, this is going to be a great loss to our council, to lose someone who is so knowledgeable and who is so passionate about establishing strong policy so that our city can continue to move forward. So, thank you for your service, thank you for the opportunity to work with you and I hope much success in your future. Thank you.”
