RE: Continuation of the Board of Contract and Supply 2015 Authorization for: UP TO 20,000 GALLONS OF 12-1/2% SODIUM HYPOCHLORITE SOLUTION TO BE DELIVERED, AS NEEDED, TO FIVE (5) PROVIDENCE MUNICIPAL POOLS DURING JULY AND AUGUST, 2016 – DEPARTMENT OF PARKS AND RECREATION.

Dear Mayor Elorza,

We respectfully request that the Board of Contract and Supply authorize the Parks and Recreation Department to continue, for one (1) year, at a held price, the contract with Accu-Care Supply, Inc, 109 King Philip Road, Rumford, RI 02916, the sole bidder for chlorine for the municipal pools in July and August, 2015. Funds for this service and supply are budgeted and are not to exceed Thirty-Two Thousand (\$32,000.00) Dollars.

Accu-Care has provided this service for many seasons without issue and continues to provide the necessary liquid chlorine in bulk trucks that most vendors cannot provide in the timely fashion needed.

Thank you for your consideration on this important matter.

Sincerely,

A handwritten signature in cursive script that reads "Michael Stephens".
